

# PASTRY ART DEMO & WORKSHOP

May 31 to June 2, 2017

HK Electric Centre, North Point

## Pastry Art Demo & Workshop

Over 30 pastry art lovers attended the workshop led by The award winning team from Malaysia, with many Coupe du Monde de la Patisserie awards on their belt.

35 pastry chefs from Hong Kong joined this special occasion. Among them, VTC lecturers, members of the Hong Kong Chefs Association, and pastry chefs who are keen to learn more about pastry art. Each pastry chef had different years of experience and knowledge. All attendees paid 100% attention during their demonstrations and did not hesitate to raise questions, which helped improve their knowledge. Thanks to our good friends and mentors – Chef Lawrence, Chef Wai Loon, Chef Ottoman and Chef Ko Wai – they brought not just their experience, but their passion and love of pastry art!

Special thanks to Classic Foods and Pastry Global for their support on providing the beautiful ingredients; to HK Electric for their generous support to provide us the venue and continuous support!
