

# TABASCO HOT CHEF CHALLENGE

## TAICHUNG FINAL

*November 1-4, 2014*

With the aim to

- To provide learning and cross culture culinary experience to the next generation chefs
- To improve student chefs conversion to the profession through passionate experience
- To enrich industry relations with HK Chefs Associations, VTC and Taiwan counterparts

The Finale Competition took place in Taichung with one HK Young Chef pairing up with one TW Young Chef to produce a 3-course Tabasco menu - using local produces to create their menu, visiting mushroom farm, shopping at seafood and wet market together. And of course, they sampled local night market snacks, traditional TW cuisine. Chef Derek Sit (HK) and Chef Hung Quan Hong (TW) won the challenge. The six top score TW contestants will be coming to Hong Kong this May to join the HKICC@HOFEX competition, where the young chefs will reunite and have fun!
