

Getting Ready for 25TH ANNIVERSARY CELEBRATION

March 15, 2015

2016 marks the 25th Anniversary of the Association. Starting now, we are preparing for our milestone publication, an approximately 200 page Anniversary Book documenting our development from the start in 1991 up to now - and we need your help. The book will be published in 2016 – our 25th Anniversary.

Working title right now is “**25 Years of Culinary Footprints**” and we invite you to share with us the following:

- **Photographs (b/w and color) with photo captions**
- **Unforgettable anecdotes related to HKCA (up to 50 words)**
- **Appreciation statements of personalities (chefs or otherwise as long as they have relevance for the HKCA)**
- **Highlights that you witnessed since becoming part of the HKCA family**
- **Anything that you can think of that is worth sharing with us.**

Please send all contributions (word file) and high resolution photos to HKCA25@ultrafuture.com.hk
