Scotland Visit Seafood Trail June 8-12, 2015

Chef Tour & International Media Visit, Scotland, June 8-12, 2015

The Scottish Government, The Federation of Chefs Scotland and the Scottish Seafood Collaborative Group welcomed the Asian chefs and international media with well-planned dedicated food trail and warm hospitality to the beauty and strong heritage of Scotland, where natural assets and passionate producers yield a fantastic larder of some of the best natural produce in the world.

What makes our visit so refreshingly alive is the people we met serving Scotland's seafood industry. They are really passionate about what they are doing and represent the country well. All of them believe that a crucial part of any vocational experience is the atmosphere surrounding the food that we eat on our travels.

Most important of all, the fabulous company – Chef Anderson Ho of Singapore Chefs Associations, seasoned, professional, big hearted and always relaxed with a warm smile; Chef Francis of Hong Kong Jockey Club, winner of the Scottish Seafood Recipe Competition. Thanks to the great beautiful duet team Ruth and Anya of Scottish Development International, and all the organization that was put behind this trip – making this special and memorable!
