Chef Roger Fok defended the colors of China with a showpiece that caught the eye of the audience and jury. "I have added some typically Asian ingredients as a testimony to the Asian Culture. I believe that when the jury members see my work, they will appreciate the passion I have for chocolate," says Roger Fok. Besides the showpiece he also crafted a 'Sweet Snack on the Go', a moulded praline and a unique 'Or Noir'-chocolate that was made in Cacao Barry's OR NOIR™ laboratory.
