A good heart has stopped beating; a good soul ascended to heaven.

Losing someone we love is nothing easy, we can realize that we are blessed to have been able to share in his life. Billy was bigger than many man, he has overcome so many difficulties and suffering in his later life, and he has chosen to make the best out of it , his passion, dedication and sheer love for people and drive to make South Africa and the World a much better place to live in .

He has shown us; that every one of us chefs and friends can contribute, and give to the needy ones and make a difference in the life of thousands of children and their families.

We lost a great friend, but the universe received a new beautiful star

Billy; you departed from this earth, but you never truly leave, you are still alive in our hearts and through us, you live on.

Our sincere condolences to the family and all friends and chefs
