Culinary World Cup, a great world event that takes place every four years, one of the 2 most important culinary competitions in the world where more than 45 teams from around the world take part in an extraordinary culinary competition. This was the first time for Hong Kong to have both the National and Young National Team participated at this world challenge, and proudly brought 3 Gold Medal home. Our Pastry Chef now ranked 2nd place on our showpiece presentation!

The team has been practicing for continuous 4 months to prepared for the competition, we have a lot of people and working partners to thank, and mostly to the team of chefs for their dedication and hard work. You guys have put Hong Kong to rank 5th on the culinary world chart!
