December 19, 2021

This is the first Young Chefs Club led Social Service project. Our YCC members worked together to cook a Christmas buffet dinner for our friends at Dignity Kitchen.

*Dignity Kitchen started in Singapore in 2010 with the aim to return DIGNITY to the disadvantaged and the disabled. In 2019, they set up in HONG KONG to engage and inspire the public to do social good and enjoy Singapore hawker food.*
