## Croissant & Lamination Variations Demo with Chef Vincent Lai @ ICI, supported by Elle & Vire Butter Sheet

80 + students, young and professional chefs joined the exceptional demo session. Apart from the classical version, 6 creative variations - using different folding methods, fillings, and toppings were presented. The 200-minute session was wrapped up with a palatable tasting and fruitful discussion.

Thanks to Vincent for sharing with us his journey, his passion, and his experience. The ICI team of staff is instrumental in the smooth preparation and demo
