Co-host with Hong Kong Jockey Club & Hong Kong Convention and Exhibition Centre (Management) Limited for our friends at Fu Hong and Hong Chi

The food preparation started on 10-17 Monday, with the support from the culinary team from Hong Kong Jockey Club & HKCEC (Management) Limited prepared 900 meals – from peeling vegetables, trimming chicken meat, marinating, and pasta cooking, cooling, and packing up for the two locations.

This morning, Chefs from Shatin HKJC team and Chefs team from HKCEC (Management) Limited uploaded the food and supplies, with two trucks leaving for Aberdeen and the other for Taipo before 9am.

We are joined by other chefs and Hong Kong Young Chefs, we cooked and reheated the food, dished out, and served on environmentally friendly disposable ware to our Hong Chi and Fu Hong friends. Wrapping up with some games in Taipo and group photos.

Gratitude to our many sponsors for supporting us with high-quality food ingredients and supplies; special thanks to the Hong Kong Jockey Club and HKCEC (Management) Limited for co-hosting with us.
