

2024 IKA CULINARY OLYMPICS, STUTTGART, GERMANY

Four days of culinary spectacle in Stuttgart: with more than 1,200 international chefs provided moments of pleasure at the Stuttgart trade fair grounds. The Olympic champions have now been crowned: finally, it was Finland that came out on top of the superlative culinary competition.

Hong Kong won Silver on Restaurant of the Nations and Gold on Chef's Table. We ranked 8th, the highest rank the next generation Hong Kong Team ever achieved in IKA, with our predecessor ranked 3rd at the 1996 Berlin edition, and the best among Asia, a good result that we thought we actually deserved even better, we did our best to make Hong Kong proud!
