11TH INTERNATIONAL CHEFS DAY

October 20, 2014

October 20 2014, Hong Kong Disneyland Hotel

The long-awaited 11th International Chefs Day – the day when we chefs contribute, experience and communicate with those less fortunate to gain a better understanding of the challenges they face – finally arrived on October 20. The HKCA members celebrated this fun-filled event with the Hong Chi Association and the Fu Hong Society at the Hong Kong Disneyland Hotel.

It was again a huge success with over 120 volunteers, 40 young chefs – supporting us with 20 sponsors, contributing on food items, logistics, equipment and utensils. Most of all, they gave us their valuable time.

As in the past, we cooked a buffet for over 650 people and prepared 970 lunch boxes for those left behind by our fast growing brave new world.

We are very humbled and at the same time happy at the overwhelming response, enthusiasm and cooperation we received from our members and friends. Seeing chefs from 20 different establishments, a variety of suppliers and supporters come together and work as a team brought a bit of sunshine and smiles to the faces of the needy.
