

Upper Café (Asia)

We are one of the largest F&B group, with stores in Hong Kong, Macau, China, Singapore and Malaysia. We are now looking for an F&B Director to lead our expanding team and to manage in different ventures of restaurants in Hong Kong and Shanghai.

Job Description:

- Managing all activities of the Food & Beverage Department.
- Establish & maintains the brand and company quality standards.
- Evaluates all company associates within the Food & Beverage Department / team, and providing training.
- Suggest for improvements in operations to increase guest satisfaction and revenue as well as reduce cost.
- Supervise restaurant / retail staff, including waiters, and chefs.
- Implementing and supervising the Operational Standards as well as internal rules and regulations.
- Strong accent is to be given to the hospitality towards the guest as a prime goal and thus to maintain and develop the attitude of the related staff. He/She exercises strong leadership and gives a special attention to visible management in the front area, especially during main service hours.
- Close coordination between front office, housekeeping, and the sales as well as the guest.
- To maintain our standards of quality, service and facilities in all departments over which he/she has responsibility and authority. He/she is responsible for the over-all smooth and economical running of the entire restaurant.
- Run and check daily reports, contingency lists, and credit card authorization reports.

Job Requirements:

- Degree in Food service management, BA, hotel management, or related field
- Minimum 10 years solid experience in luxury western restaurant/hotels preferably or chain store experiences.
- Experience of store opening is a must
- Proven food and beverage management experience
- Strong service attitude.
- Up to date with food and beverages trends.
- Ability to manage and meet financial targets.
