Join the best at Regala Skycity Hotel

Scheduled to open in Q4 of 2021, Regala Skycity Hotel is located in SKYCITY, the new world-class integrated development at Hong Kong International Airport. Adjacent to the passenger terminals and AsiaWorld-Expo, providing direct access to the array of shopping, dining and entertainment options that can be found in SKYCITY, the new hotel offers a wealth of possibilities for both leisure and business travellers.

All 1,208 guest rooms and suites are designed to reflect a vibrant and contemporary aesthetic, while 3 trend-setting restaurants and bars provide ample scope for fine dining and socializing. Comprehensive facilities, from gymnasium, outdoor swimming pool, rooftop jogging path, organic farm to self-service laundry and vending machines, combine to curate a guest experience that is content-rich and convenient. Equipped with the latest experiential and conferencing technologies, the hotel's grand ballroom and 2 banquet halls represent a new milestone in meeting and conference capabilities.
