

Title: - Chinese: - DimSum Chef  
Organisation: - Chennai, India

Our client, is one of India's leading operator of super deluxe hotels, palaces, resorts and restaurants. In recent years their flagship property was awarded 'Number 1 Business Hotel in the World' by conde nast.

Their latest venture is a super modern yet opulent, 330 room hotel facing the bay of Bengal, an integral part of the hotels design and the F&B operation includes a super cool, contemporary Chinese restaurant which is situated right off of the hotel lobby. The outlet has been designed by Spin of Tokyo.

The Chinese restaurant is an extremely upscale concept that encompasses authentic Cantonese and Szechuan Cuisine with a contemporary twist and using the finest imported ingredients. The eatery has approximately 100 seats plus private rooms.

We are looking for a DimSum chef that has worked with world renowned hotel brands in leading Asian cities such as Hong Kong, Singapore, KL etc... The ideal candidates must be able to communicate in English and computer literate.

This is an expatriate position with a fantastic package in the region of US\$ 4-5K for the right person. Interested parties should send a resume in Word format with a recent photograph. Interested parties should send a resume in Word format to [jonathan@gsa-asia.com](mailto:jonathan@gsa-asia.com)
