Seeking Passionate Sous Chef

Candidates must be career-focused with at least one year experience in a Sous role, or a lead Line Cook looking to take the next step in their career. Must have a strong foundation in culinary technique with a fundamental understanding of how to manage a daily changing, market-driven menu. Applicants must also possess a strong sense of urgency, direct communication skills, along with an ability to effectively self manage. A basic understanding of inventory and labor controls are ideal, but can also be trained as long as there is a willingness to learn.

Compensation includes competitive salary, quarterly bonus based on sales, staff benefits...etc.

Salon 10 is an ideal platform to be creative, to experiment with new ideas and to foster constructive relationships with customers. it is a perfect place for a young talented chef to perfect craft and develop individuality in a high-energy work environment.

Must:
Speak English
Available from Tuesday-Saturday.

To respond, please write "Sous Chef" in the subject line and paste resume into the body of the email.
