

Seeking Chef de Parties

“Little Beer Room is another wonderful creation from The Bottle Shop group based in Sai Kung. The Little Beer Room is not just a craft beer bar, it is designed to be a place of social gathering. The feel of the place is a little quirky, a little funky, it has a playful attitude to engage with its audience. It is a place where local residents can have a quick drink before heading home from work; a place for friends to catch up; a place to chill and relax; and it is a place to enjoy craft beers, cocktails and wine with good quality wholesome food. Everything in the Little Beer Room is designed to encourage the enjoyment of good food and drinks amongst friends, from the variety of beverages and cocktails on offer, to most important of all, food on shared plates.”

Seeking Young, enthusiastic cooks willing to grind it out and open up a kitchen. The kitchen will be small but there will be room for creativity and learning.
